NEST

M. Shunmugavelu

P. Ayan

Preamble:

Whereas both of them having entered into a MEMORANDUM OF UNDERSTANDING geographically belong to the same localities similarly showing indulgence to promote the activities relating to environmental protection and conservation of nature which is the need of the hour globally, regionally and also locally. The1st party having human resources as volunteers and the 2nd party having technical skills and assistance understand each other in good faith to carry forward the activities on environmentalprotection.

Duration:

The MOU is to last from 04.12.2021 to 03.12.2024, for the duration of three years, subject to discretion of the parties to the contract, either to renew or to extend, after the expiry of the term.

Area of activities:

1. To arrange lectures on topics related to environmental protection and faunal species conservation
2. To arrange ecological field trips to wildlife sanctuaries and other ecologically important ecosystems.
3. To be helpful manner suitable for the maintenance of forest museum
4. To take and train the volunteers to trekking.
5. To undertake activities suitably to conserve wildlife
6. To take necessary steps to preserve biodiversity by way of conserving various life forms.
7. To maintain butterfly gardens and herbal gardens
8. To prepare the students to saplings of trees
9. To indulge in activities that rescue wildlife
10. To conduct public awareness programmes on environmental issues, wildlife protection and encourage backyard composting & promote organic farming.
11. To go on plastic free campaign to "Reduce, Recycle, Reuse, Refuse"–Plastic Products.

Finance:

The 1st party does not involve in any kind of financial assistance. It is the liability of the 2nd party to arrange the necessary financial requirements.

M. Shanmugavelu P. Ajay

Responsibilities and liabilities of the parties:

The 1st party will assist in procuring human resources (volunteers) and the infrastructure available in the college. The rest will be taken up by the 2nd party on the basis of the mutual understanding.

The 1st party (including staff or students) should not reveal anything about the technical skill, imparted by the 2nd party, without the consent of the 2nd party as this being confidential.
