

POSTGRADUATE AND RESEARCH DEPARTMENT OF CHEMISTRY

Vivekananda College

Tiruvadakam West – 625 234

INSTRUMENTATION CENTRE

USER DETAILS

Name of the User				
Name of the Department				
Name of the Institution				
Contact Number				
E-mail ID				
	Name of the Instrument	(please tick in the appropriate box)	No. of samples	Measurement details
	1. UV-Visible Spectrometer	<input type="checkbox"/> Rs. 100/- Per sample		Absorbance: <input type="text"/> Transmittance: <input type="text"/> Wavelength Range:
	2. Spectrofluorometer	<input type="checkbox"/> Rs. 100/- Per sample		Emission <input type="text"/> Excitation <input type="text"/> Ex-wavelength Range : Em-wavelength Range :
	3. Cyclic Voltammetry	<input type="checkbox"/> Rs. 100/- Per sample		Potential range: Scan rate: No. of cycles:
	4. Electrochemical Impedance Analysis	<input type="checkbox"/> Rs. 100/- Per sample		Nyquist plot <input type="text"/> Tafel plot <input type="text"/>

(The amount can be paid after recording the samples in-person. The students should bring their original ID card)

Certification by Research Supervisor/HOD: I hereby certify that the user is a bonafide student/research scholar of our institution.

Place:

Date:

Signature of the Student / Research Scholar

Signature of Guide /HoD (with Seal)
