Recommendations of the Expert Committee:

Dept. of Sanskrit

1) Any language taught contains three aspects

a) reading. b) writing c) speaking.

a & b) are already covered in the class room.

But provision for speaking can be improved, though

a) Language Lab b) Spoken Sanskrit classes through

audio visual aids.

Hence a Smart class Room is highly recommended

which can meet the both the demands well.

This class room can help the teacher to enrich her
students knowledge as the Repository of the Indian Culture.
and thus it will help him to answer questions
related to Indian culture those which are quite
common in TNPSC & UPSC examinations. (cont...)
