All the activities are  
best &  
Commendable

### Recommendations of the Expert Committee:

In the Personality Assessment Certificate issued by the College, the role of Dept. of Physical Education is so commendable. The First three part namely: Records of Physical culture - Athletics, Yoga/Martial Arts and Games are being well structured, executed & records maintained in the departments. It has the real positive impact in the students personality development is concerned. This needs to be appreciated. Further the extension activity in the Dept. of Physical Education is so good. The way in which all the students in the college were motivated and engaged to do the Physical Education activities as one of the extension services to the school students and general public during their holidays is a good - best practice. Students participation of in Martial Arts/Special Events like: Silambam, Karate, Gymnastics, Special Asanas Demo are some of the Unique practices of the department.

Undergraduate Level Yoga courses may be introduced in future.

The overall academic and Administration of the Dept. is highly Commendable
