World River Day

Arul Anandar College, Karumathur, and Vivekananda College, Tiruvedakam, in collaboration with the National Cadet Corps (14 TN Battalion, Dindigul), observed World River Day at Tiruvedakam on September 24, 2025, under the banner of the *Jal Shakti Abhiyan.

As part of the programme, NCC cadets and students undertook a Vaigai River Cleaning Drive to promote the objectives of the Jal Shakti Abhiyan, which focuses on water conservation, river rejuvenation, and sustainable resource management. This was followed by an Awareness Rally from Vivekananda College to Tiruvedakam, where participants raised slogans and carried placards highlighting the importance of protecting rivers.

A Swachh Bharat Abhiyan (Clean India Mission) Oath was administered to all participants, reaffirming their commitment to keep rivers, surroundings, and public spaces clean.

The programme was graced by Lt. Col. S.Jagadeesan, Officer Commanding, 14 TN Battalion NCC, who served as the Chief Guest. He stressed the crucial role of youth in protecting natural resources and strengthening the Jal Shakti Abhiyan at the grassroots. Felicitations were delivered by Dr. K. Karthikeyan, Principal, Vivekananda College, Rev. Dr. Anbarasu M. SJ, Principal, Arul Anandar College, and Mr. G. Mathavan, Headmaster, Vivekananda Hr. Sec. School.

In total, 250 cadets participated in the event:

- 150 NCC cadets from Vivekananda College
- 50 NCC cadets from Arul Anandar College
- 50 NCC cadets from Vivekananda Hr. Sec. School

They were guided by three NCC Officers — Capt. Dr.V. Rajendran (ANO, Vivekananda College), Lt. A. Arockia Maria Michealraja (ANO, Arul Anandar College), and FO J. Chithirai (ANO, Vivekananda Hr. Sec. School)* — along with four army officers and 25 members of the general public.

The venue, Tiruvedakam, is a historically and culturally significant place, attracting pilgrims from across the country who come to perform religious practices. Preserving the Vaigai River at such a sacred site reflects the spirit of both the “Jal Shakti Abhiyan” and the “Swachh Bharat Abhiyan”, linking environmental responsibility with cultural heritage.

The event concluded with a united call to protect rivers and sustain a cleaner India through collective community participation.
