ABOUT THE COLLEGE

Vivekananda College was started by Founder-President Swamiji Chidbhananda of Sri Ramakrishna Tapovanam, Tirupparathurai, Trichy in 1971 on the banks of the river Vaigai which is blissfully free from the noise andhurry, the crowds and distraction of the city. This college is a residential college functioning under Gurukula pattern. It is Man making education that is imparted in this institution, culture, character and curriculam are the three facets of ideal education that make man a better man. This is possible only when the teacher and taught live together, The Gurukula system of training is therefore a humble and systematic attempt in reviving the age old GURUGRIHAVASA for wholesome education, Attention to physical culture, devotion to duty, obedience to teachers, hospitality to guests, zest for life, love for the nation, and above all, humility and faith in the presence of God etc. are the values sought to be inculcated. All steps are taken to ensure the required atmosphere for the ideal life training. This college is an aided college established in 1971 and offers UG and PG progammes. The college was awarded College with Potential for Excellence by UGC in 2016 and DBT-STAR Scheme funded from 2021.This College is affiliated to the Madurai Kamaraj University, Madurai.
